Storm Damage Checklist

This checklist helps you identify potential storm and hail damage to your roof. **Only a certified insurance adjuster can diagnose storm and hail damage.** As soon as you suspect storm damage, call your insurance company. Depending on your policy, you have 1-2 years to file a claim with the insurance company.

Do You Have Any of the Common Signs of Storm Damage?	Yes	No
---	------------	-----------

Shingles in your yard or missing from your roof:	<input type="checkbox"/>	<input type="checkbox"/>
--	--------------------------	--------------------------

A tree or tree limb on your roof:	<input type="checkbox"/>	<input type="checkbox"/>
-----------------------------------	--------------------------	--------------------------

Do You Have VISIBLE HAIL DAMAGE?	Yes	No
---	------------	-----------

Check for hail damage in these areas around your home to help determine if the roof was damaged as well. If there is no visible damage on the areas below, there is likely not damage on the roof.

Downspouts (above 5', not below because of lawnmowers):	<input type="checkbox"/>	<input type="checkbox"/>
---	--------------------------	--------------------------

Fascia metal, aluminum trim (dings):	<input type="checkbox"/>	<input type="checkbox"/>
--------------------------------------	--------------------------	--------------------------
